Boils and Pimples

AN UNFAILING SIGNAL THAT NATURE IS ASKING FOR HELP.

When Nature is overtaken, she has her own way of giving notice that assistance is needed. She does not ask for help until it is impossible to get along without it. Boils and pimples are an indication that the system is accumulating impurities which it is unable to eliminate. They are an urgent appeal for assistance.

To neglect to purify the blood at this time means more than the annoyance of painful boils and unsightly pimples. If these impurities are allowed to remain, the system accumulates to any ordinary illness, and is unable to withstand the many ailments which are so prevalent during spring and summer.

Mrs. L. Gentile, 2004 Second Avenue, Seattle, Wash., says: "I was afflicted for a long time with pimples, which were very annoying, as they disfigured my face fearfully. After using many other remedies in vain, S. S. S. promptly and thoroughly cleansed my blood, and now I rejoice in a good complexion, which I never had before."

Cap. W. H. Dunlap, of the A. G. S. R. Chattanooga, Tenn., writes: "Several boils and carbuncles broke out upon me, causing great pain and annoyance. My blood seemed to be in a rotten condition, and nothing I took seemed to do any good. Six bottles of S. S. S. cured me completely and my blood has been perfectly pure ever since."

S. S. S. FOR THE BLOOD

is the best blood remedy, because it is purely vegetable and is the only one that is absolutely free from potent and mercurial ingredients. It promptly purifies the blood and thoroughly cleanses the system, builds up the general health and strength. It cures Scrofula, Eczema, Cancer, Rheumatism, Pimples, Boils, Itch, and all other eruptions of the skin, and is a sure cure for all impure blood.

"The Best Girl Age"

Is the age that is profitable for clothing men. When a young man gets the best girl fever, when he can only think of one girl, when he can't sleep nights or work days times, "when he's got it bad," then is the time we clothing men get rich. A young man with this sad affliction thrust upon him never has a necktie on more than once before he imagines it is old. He puts on a collar and takes it off so frequently that he wears it out more than the laundries do. His cuffs meet with "reverses" so frequently that they soon meet the "ragged edge of despair." He brushes his hat so often that it don't get any rest, and puts so much blacking on his shoes that they very soon crack open. As for clothes, they are brushed and cleaned so often that they impress him with the idea that he needs a new suit every new moon. If all the men in Meade county who recognize this picture should rise and sing, "We've been there before, you couldn't hear it thunder. Young men we are with you in one thing. We do not take advantage of your misfortunes. We don't ask you to pay ten or a dozen dollars for a new wale worsted suit just because you've got to dress up. No, sir! We'll sell it to you for \$7.50. We'll put a nobby cassimere suit on you, that your best girl can't tell from "tailor-made" for \$5.00. We'll sell you a nobby full fur stock Derby or Fedora Hat for 75c. We'll sell you tony ties so cheap that you can change every day and that will make her "tie" to you nothing will, and as for shoes—if ours crack open before they should, you'll get new ones free here.

NELSON JOLLY DEAD.

A Well-known Citizen Suddenly Passes Away.

Nelson Jolly, noted for his integrity for his many splendid qualities of head and heart, is dead.

After a few days' illness the Angel of death visited the home of Mrs. Nelson Jolly, Wednesday, April 14th, and bore away the spirit of our devoted husband to the realm of the blest. Whilst God made us heirs of this earth, that is mingled with care, sorrow and pleasure. He has prepared a home immortal for those who love and serve Him and all who will try to enjoy everlasting life beyond the grave. We all have to submit to death, it is an enemy we cannot conquer. We have to bid adieu to all that is dear to us here, every other thing we seek to leave, every other affection to forget, but when afflicted by the death of our loved ones, we cherish and brood over it in solitude. When the tomb is closing upon them, and we feel that our hearts are crushed in the thought of a fond companion, let it be a happy thought to know that you can meet them in the land where there will be no more parting. My father, wife and children be reunited on the evergreen shore is the wish of a friend.
